Dear Prospective Purchaser:

It has been brought to our attention that the original legal advertisement and bid packet information for the Pho Timber Sale contained errors. The Green Bio Convertible product contained in the sale was not set as a fixed rate, as it should have been. Also, cutting unit 164 was listed as ITM, on the Sale Area Map, and should have been shown as LTM. We have corrected these errors in our systems and the corrected bid packet is attached.

I apologize for any confusion and/or inconvenience this may have caused.

If you have any questions, or require any further information, please feel free to contact me at 541-278-3850.

Sincerely,

RONALD K. HANCOCK  
Contracting Officer
